DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

308 Cedarcroft Road is a two story, four bay, shingled house. The slate-shingled gambrel roof is decorated with two brick link-topped chimneys, and four shed dormers. The third dormer (from the left) is larger than the other three and is located in an extension of the first story. Its window is double hung with 12/12 lights. Other dormer windows are double hung with 8/8 lights. Two-sash casement windows, each sash having nine lights, are located in both end bays of the first story. All windows are decorated with shutters. The second bay (from the left) of the first story contains the main entrance and is recessed, thus creating an umbrage.

308 Cedarcroft Road is located in the middle-to-upper class community of Cedar-croft.

## STATEMENT OF SIGNIFICANCE

308 Cedarcroft Road was among the first houses to be built in the Cedarcroft development. The gambrel roof styling of this building was repeated many times as Cedarcroft grew.
